

Download Fundamentals Of Oral Surgery

The ACS Fundamentals of Surgery Curriculum ® (ACS FSC) was developed by the American College of Surgeons Division of Education to allow you to experience common, as well as critical but uncommon, events in a virtual environment. Ferraro's Fundamentals of Maxillofacial Surgery is the newly revised and updated second edition of the text originally edited by James W. Ferraro. Written for trainees and students as well as experts in oral and maxillofacial surgery, and experts in related subspecialties such as otolaryngology and plastic surgery, this highly illustrated ...Full text Full text is available as a scanned copy of the original print version. Get a printable copy (PDF file) of the complete article (587K), or click on a page image below to browse page by page. James Ferraro, current President of the American Society of Maxillofacial Surgeons, presents this comprehensive volume on maxillofacial surgery, based on the Society's annual courses. This book will serve as an ideal introduction for residents into the field of maxillofacial surgery as well as serving as a "refresher course" for the more experienced.
